

CHAPTER 2

THE FATHER'S VISION AND PLAN FOR THE GLORIOUS (LOCAL) CHURCH

.... “Christ also loved the church and gave Himself up for her, so that He might sanctify her, having cleansed her by the washing of water with the word, that He might present to Himself the church in all her glory, having no spot or wrinkle or any such thing; but that she would be holy and blameless”....

Ephesians 5: 25b

WE, AS A BODY, HAVE BEEN FAR TOO TOLERANT OF ANY MANIFESTATION OF "DEATH AND DARKNESS" IN OUR MIDST!

The Father, in these days, has chosen to reveal His perfect strategy concerning His Church. This strategy has, as its first and foremost aim, the "removal" of Satan and his "forces" from the "midst" of all those who truly love God - all those who desire nothing more or nothing less than the perfect fulfillment of their destiny in Christ. The Father has made it very clear to me that He shall no longer show "any" leniency to those in leadership in the church who - through the maintaining of rebellion and self-desire in their own lives - have "allowed" demonic forces to move "virtually unchallenged" in the midst of His people! As the Father continually expands - through revelation - His Plan for the Glorious Church it is becoming more and more evident that we, as a Body, have been far too tolerant of "any" manifestation of "death and darkness" in our midst! Now is the time for each and every one of us to put ourselves in the position wherein we "allow" our God, in and by the Holy Spirit, to continually "elevate" us to the place where we shall be found abiding in the "fulness" of our inheritance in Christ - for it is only from this position that we can carry out the "fulness" of His most glorious Plan for the building up of His Church to a "spotless and unblemished" state!

"THE FATHER HAS BEGUN TO MOVE SWIFTLY"

In the times of intercession and separation unto the Father and His Word that I have experienced over the years He has "painted" a clear picture in my spirit (and it is getting clearer with each passing day) of His plan for the Glorious Church. It has only been in these last few months that the aforementioned "picture" has begun to become a "reality" in the physical realm. The Father has begun to move swiftly - and the momentum is building - to bring together [some "physically" and some "in spirit", but "all" together] all those handmaidens and bondservants (thousands and thousands) that will play a key role in the establishment of the true "local church" that the Father and the Lord Jesus envisioned from the start - the true "local church" that we are just beginning to catch a "glimpse" of as we set ourselves to "diligently" seek Him day in and day out.

MAGNIFICENCE AND POWER AND SPLENDOUR

There are no words that I can express at this time that would even begin to do justice to the magnificence and the power and the splendour that I have seen in my spirit concerning the "fulness" of the outpouring of the Holy Spirit [the former and the latter rain] in this last hour. The "full result" of the outpouring of the Glory of God in our remaining time in this dispensation is literally "incomprehensible" [mind-boggling] to even the most sanctified of His children. O, how we must strive through an abiding perfect obedience to continually fellowship with the Father and the Son in the Throne Room of God - for it is only from this exalted position that we can gain the "necessary revelation" to "elevate" all those with whom we have to do.

WE ARE TO BE A PEOPLE OF "NO FEAR"

Just from what the Father has graciously shown me I am able to see clearly why we are to be a people with "no fear". In this last hour there shall be a deep and clear revelation of the "fulness" of our authority in Christ [the Anointed One and His Anointing] burned upon the hearts of all those who truly love Him and because of this Satan shall - for the first time - be seen for what he truly is: a totally defeated foe and a spiritual "non-factor" in light of the "Anointed One and His Anointing". Every "stronghold" of Satan in the midst of God's people shall be

exposed and his "religious spirits" shall be driven out in "stark terror" from the midst of all those who truly love God. Thus shall the "local church" begin to take shape in the power and glory of Almighty God - and it is from this position that the "multitudes" shall begin to flow (pour) into the Kingdom.

THE ESTABLISHMENT OF THE TRUE "LOCAL" CHURCH THROUGHOUT THE EARTH

VISION:

In early July 1997, I was standing in the back of the local Christian book store talking with the owner about "denominations" and their detrimental affect on the end-time plan of God when the Holy Spirit opened my eyes and I saw in the spirit this - for lack of a better expression - small mass of "glory" (it looked like a large "glob" of radioactive material - brilliant light emanated from it - high up in the "heavenlies" over the city. The Father spoke to me and told me that this "mass" over the city was the glory of God residing in those of His servants who were continually seeking to abide in perfect love - and that through their continued obedience (intercession) He was able to begin to "establish" small pockets of true believers. As each one of these "hidden pockets" continued in obedience to His will for their lives - both individually and corporately - He would bring them together by the Holy Spirit. He would then begin to establish His "true" government in the midst of these "called out ones".

THERE WAS NOT A TRACE OF GUILF WITHIN THEM

Many of these brothers and sisters were called as apostles and prophets, but there were also many who were called to the other offices of the five-fold ministry. These people were "non-religious" and there was not a trace of "guile" within them. They were pure hearts and they were fearless - they had no fear of man or demon. They were truly a sight to behold! The Father then showed me that as these groups came together they would begin to "attract" (draw as a magnet) certain others - in many cases "street people" and in other cases those who had been called out of a particular "denomination" and had set themselves apart to the Father and His Word to seek His highest calling for them. The one thing that these - for the most part - young people (12-28 years old - although the very young and the middle-aged, and the elderly were certainly represented also) had in common

was this: regardless of their previous station in life - they were all called to the five-fold ministry and the Lord made it evident to me that it would be these "young ones" - as well as the "established" (at least in the sight of the Lord) apostles and prophets that had been in intense intercession for them for many years in virtual obscurity - that would form the true Church government over the Local Churches. The "established" apostles and prophets would "oversee" these powerful young leaders (servants) from day to day.

LIKE A POWERFUL MAGNET

The Father then showed me that He would supernaturally "multiply" the Church daily and that this original "mass" of glory would not only increase, but that the power of the love that was being released to a greater degree continually would literally draw quickly - like a "powerful magnet" - all those whose hearts were even remotely "towards" Him. I then saw many of the "church buildings" in our city and I saw people being drawn up right out of their pews and straight up through the roof of whatever "building" (denomination) they belonged to and they joined the rapidly expanding "mass of God's glory in the heavenlies (by the way this was "above" all the principalities and powers and "every" force of darkness). There were Catholics, Presbyterians, Anglicans, Pentecostals, Methodist Church members and certain other "fellowships". The Lord said, in that moment, that He would have "nothing" to do with "anything" that had been built and established by the hand of the "flesh" - but the one thing that I clearly noticed was that at least "a few" (and in some cases "most") came out of every denomination and fellowship to partake of the true work of the Lord.

THE RATE OF "INCREASE" THAT WAS TAKING PLACE WAS ALMOST INCOMPREHENSIBLE

I then saw that the rate of "increase" that was taking place was almost "incomprehensible" to even someone who had been believing for this very thing for many, many years. Further attempts on my part to explain this "inexplicable work" and the "glorious outpouring" of the Holy Spirit in this time of the establishment of the true Local Church are not possible as these things completely override the limited thought patterns of the finite mind. I literally have no words to do justice to this soon coming (the initial stages have already begun to manifest these past few months) "explosion" of God's love and power. I will have to wait on

the Lord to give me further utterance ("words") on the "manifestations" of this most glorious vision He has planted deep within me. Now, after having said all this about this vision. The Father then showed me that this "pattern" was the pattern for every Local Church in - at least - this nation (Canada), but I have no reason to doubt that the principles of the Lord's working will, at least in some similar way, affect the Body of Christ throughout the earth!

"EXPLOSIONS"

It is nearing the time when certain "explosions" shall begin to manifest in the physical realm. These "explosions" (release of "specific" anointings and "gifts") will immediately re-route the course of "vast multitudes" in the church who - up until now - have maintained a position of "comfortability" and thus have ignored the strong call to the life of faith (love-obedience-self-denial) that has been issued forth from the Throne Room. Many seem to be caught up in different "controversies" concerning the "true" Christian life but what they do not seem to realize is that due to the lateness of the hour and the desire of the Father for the Church to finally become all that she was created to be - in Christ - they shall need to become "partakers" of the divine nature, not only to carry out the fulness of the call upon their lives and ministries, but just to "survive" in the earth in this hour.

THE "DENOMINATIONAL STRUCTURE" - IN ITS MANY FORMS - HAS SERVED ONLY TO KEEP VAST NUMBERS "AFFIXED" TO A STRONG "SELF-DEPENDENCE"

Of course, it was never Father's plan at any time in the last two thousand years for ANY Christian to be doing anything else other than His will in their time on earth and, again, - UP UNTIL THIS TIME - instead of setting vast numbers of captives "totally free" to serve the Lord, the "denominational structure" (in its many forms) has served only to keep vast numbers "affixed" to a strong "self-dependence" which seeks to find "all" of its sufficiency - spiritual and otherwise - in the soulish nature (psuche). Because of these things Satan and his forces "maintain" the control over the lives of these "self-sufficient" ones - a "control" which is necessary in order for him to keep them in a position of "powerlessness" (and therefore impotent against being used by him to carry out his schemes - schemes which use them to come against those who are truly serving the Father and His Word from a burning love abiding deep within their heart). We

must get ready and stay ready at all cost to ourselves in this time - as never before!

THE "SPIRIT OF DENOMINATIONALISM"

The deeper I get into carrying out the will of the Father the more I realize the futility of not only the aforementioned "denominational structure", but of EVERY word or action which issues forth from one's "own" understanding (the "flesh"). It should not be surprising to us to find out that the very spirit behind all of this "organization of men" is the spirit of antiChrist - the same spirit that the apostle John warned the early church of some 1,940 years ago.

"Denominationalism" is defined as the exalting of ANY name above the name of Jesus in "spirit" (spirit of idolatry and spirit of self-exaltation). This "religious spirit" (spirit of denominationalism) has held the church in bondage for nearly two thousand years in its various forms - each new and successive work of God neatly categorized into its own "denomination" or "movement" through a "spirit of mental ascension" on behalf of many who started out in the Spirit, but soon settled onto a "fleshly" plateau. With a view to these things the Father is releasing a vision of the True Local Church in this last hour through His holy apostles and prophets. This is a Church which is both "foundationalized" and sustained by revelation knowledge - and the love and obedience that are its spontaneous by-product.

"DENOMINATIONS" - AN ABOMINATION TO THE HEART OF THE FATHER

"Denominations" never were - or never will be - part of the true plan of the Father for the Glorious Church and the Kingdom. This will become VERY evident in the coming days and weeks! In this time many are being called out of ANY form of "religious structure" that they have been in (involved with) and the Father is leading them to - and connecting them with - CERTAIN handmaidens and bondservants in order for them to enter into the proper "spiritual environment" which will promote the perfect spiritual growth necessary for them to fulfil their destiny in Christ. A key statement from here on in is: "Christ ALL in ALL"! Failure to "wholly" adhere to this absolute truth and Kingdom principle (which is the very essence of ALL true apostolic ministry) in all that we say and do shall "ultimately" - unless a deep and thorough repentance is forthcoming - result in a

form of absolute judgement as things continue to accelerate daily on every front.

THE "PLATEAU" OF RESPECTABILITY AND THE COMFORT "THAT KILLS"

Over the past few months it seems as though even many of the "godly" pastors have refused to "let go" of the last vestiges of "denominationalism" and I will say this: Regardless of how high - or great - the calling on a pastor's life and ministry, they will NOT enter into the "fulness" of that calling until every last ounce of ground that a "spirit of denominationalism" has been working from is consumed by Holy Fire. I have seen a "few" of these pastors refuse to "let go" and they are being GREATLY used by Satan to hinder the very vision and dream that they themselves have received from God concerning the establishment of the True (local) Glorious Church - having reached a certain "plateau" of respectability and the comfort "that kills" through a holding to the "fear of man" and the soul-gratifying "approval" that is found therein. They will not receive the last wave of apostles and prophets because the anointing upon these handmaidens and bondservants "flies right in the face" of EVERYTHING that is apart from the Anointed One and His Anointing - and thus every ground of "self-desire" is exposed upon contact with the anointing upon the apostles and prophets. They have two choices - and only two. They can either receive these "vessels" whole-heartedly, in which case they will quickly be "elevated" and enter into the fulness of the Father's plan for their church - or they will have to reject these vessels of light and truth and separate themselves from them - by word and deed. This immediately "allows" Satan and the forces of darkness to penetrate the heart of not only the pastor - and those in "league" with them - but also, tragically, the precious sheep in their care. We, as the children of God, can ill afford to ignore any aspect of the Father's provision for the establishment of His Church in this hour, for to do so will lead one directly into the deep darkness and death which is so rapidly consuming the "world" - and the "hearts" of all those who choose to "live" (abide) there as opposed to the Kingdom of God.

NO "OLD WINESKINS"

There will be no "old wineskins" - or even any "part" of them - "useable" in the foundation and establishing of the Glorious Church. Anything and everything under a "spirit of denominationalism" must be cast into the fire. Even certain

glorious aspects of the "Renewal" movement can no longer be "held to" - the whole movement was but a "stepping stone" towards the fulness of the Father's will for the Church, but now it has become a most dangerous habit for one to linger on any kind of "plateau" or platform they have forged from the "blessings" of that movement. Every child of God must come to know that the only way that we can both properly thank the Father (fully) and bear "maximum" fruit in handling the "blessings" that have been bestowed upon us in the past is to "carry on" and move forward in an abiding and perfect obedience. It is only in this way that "decay" (corruption and darkness and "self-serving") will be prevented from entering into one's life and ministry. I have seen firsthand how Satan has hindered and even - UP UNTIL NOW - stopped "certain" key moves of God. The day has come, however, that every piece of "ground" the Evil One has been able to use shall be removed from the midst of God's people and thus, every last detail of the Father's will for the advent of a "spotless and unblemished" Church shall "begin" to come to pass.

A TRUE "SPIRITUAL PARADOX"

It is a true spiritual paradox that we find ourselves experiencing in this last hour:

While it is "late" it is still "early" AND while it is still "early" it is very "late"!

I strongly encourage all those who are diligently seeking their "proper position" in the Glorious Church to hold fast to their course, in and by the Holy Spirit, and KNOW that while they may "feel" that "time" has passed them by - as far as them fulfilling all that the Father has called them to - in reality it is "early" and as they continue on in their diligence they cannot fail to enter into the fulness of the Father's will for their life and ministry. The greatest mistake one can make in this area is to "survey" the situation as it stands in many areas of the church and attempt to fit themselves into that "old wineskin" (denominational structure). The Glorious (True) Church shall be both established and sustained by "revelation knowledge" and the pure and unadulterated wisdom of God alone in our remaining time in this dispensation. Enough said!

HARDNESS OF HEART PRODUCES AN INSENSITIVITY TO THE VOICE OF THE HOLY SPIRIT

Let every child of God draw near to the Father and His Word in this time in order that they might begin to walk by faith (revelation). For while it is yet "early" (in a spiritual sense) for all those whose hearts are "wholly given" to the highest plans and most holy purposes of the Father, it is very, very late for all those who have "allowed" their hearts to become hardened to ANY degree. This "hardness of heart" is producing an "insensitivity" to the voice of the Holy Spirit, Who is continually "urging" them to repent and come into a "full knowledge" of the Father's will and purpose for their lives and ministries. In this final hour the "inability" to hear the voice of the Holy Spirit will result in an "open attack" by the Evil One and his forces upon the stubborn and rebellious children, while a "sensitive heart" - one that will continually yield to the gentle urgings of the Spirit of God - shall abide in perfect peace and "position" and shall experience an "open heaven" even in the midst of the greatest darkness and turmoil this "world" has seen - up until this time.

THE "WORLD" AND ITS "SYSTEMS" ARE PERISHING RAPIDLY

In this hour many in the "world" shall begin to come to us (the True Church) when they begin to see that we have the better way, (Kingdom finances, lifestyle, peace, joy etc.) Therefore, it is of great importance for us to "allow" (trust) the Father to have complete authority in ALL of our "decisions". UP UNTIL THIS TIME the "world" (the Devil) has "dictated" to the church to a great degree - NOW, we shall move - both individually and corporately - to show the "world" and those who dwell within the "confines" of that system that we truly have the BETTER WAY. We cannot afford to bow our knee to "anything" that does not proceed forth from the Throne Room of God (the revealed knowledge of His will) in this most critical hour, for there is much to be done and the Father desires to use us as great "signs and wonders" to a "crooked and perverse" generation - a generation lost and chained to an ever deepening darkness. There is only one escape from this darkness and that is the "entrance" of the Word of God (the Living Christ) into their hearts and minds.

A WORD:

Always remember:

What one is "clothed" with on the inside will define what they are clothed with on the outside and what they are "clothed" with on the outside will "demonstrate" the deepest state of one's heart towards the Father and His will.

THE "TRUE STRUCTURING" OF THE LOCAL CHURCH

These are amazing times in which the Father is not setting out too many "long range" plans as far as the true structuring of the (local) Church goes. In these precious and holy days it falls upon EVERY last member of the Body of Christ Universal to daily enter into that place of true and intimate fellowship with the Father and His Word - and in that place receive from the Throne Room the life and the light necessary for them to continually fulfil their "distinct" part in the building up of the Body in love. The Father is calling forth all of His beloved children and revealing to their heart the great importance of every last "member" of the Body. For the "glorious mystery" (the manifold wisdom of God) is about to be revealed to the "rulers and the authorities in the heavenly places" - through the Church - in ways and power that have heretofore not been seen! This is truly a time like no other before it and from here on out nothing means anything except that one be found abiding in the center of the Father's will.

A TIME OF WAITING DILIGENTLY (IN OBEDIENCE) FOR THE FATHER TO "UNFOLD" THE FULNESS OF THE SCOPE OF HIS PLAN

I perceive that the Father is about to take things to the "next level" as far as leadership goes in the establishing of the True Church. This whole plan of the Father concerning the establishment of the true local Churches is much simpler than most understand it to be and that is precisely why the "religious" (those who still maintain ANY element of self-desire and self-agenda) will miss it completely! The Father is beginning to establish the perfect "spiritual environments" throughout the Body of Christ in the midst of all those whose hearts are wholly given. It is simply a time of waiting diligently (in obedience) for the Father to "unfold" the fulness of the scope of His plan and really seeking to be in the "proper position" at all times. It is this proper positioning that allows one to

receive the fulness of His provision at all times - in order that there be no delays in the most excellent building up of His Glorious Church.

THOSE WHO ARE "TRULY WILLING" SHALL BE "ELEVATED" INTO THE DEEPER THINGS OF GOD IN THIS TIME

It is certain that, in this last hour, we must ALL continually guard our hearts with ALL diligence in order that we might not only be found standing against the vile and slanderous attacks of the Evil One and his forces, but also that we might be found "always" in the perfect position to deliver the perfect word to the perfectly prepared (by the Lord) "vessel" that is brought across our path by the Holy Spirit. In our remaining time in this dispensation we shall be a Church that "elevates" - spirit, soul, body and financially - every heart and every situation and circumstance that we are confronted with as we "abide" in the paths of righteousness. In other words those in the "world" and the church who - up until this time - have been bound up by demonic influence and control will now be "lifted up above" their "situation" as they forsake the stubbornness and pride that had "allowed" Satan great inroads into their lives.

EVERY LAST CAPTIVE WHO TRULY "DESIRES" TO BE SET FREE WILL BE SET FREE IN THIS LAST OF THE LAST HOUR

The Father told me that every last captive who truly "desires" to be set free - regardless of the bondage or infirmity - will be set free in this last of the last hour. But He also solemnly (sadly) expressed the fact that many would continue to "maintain" an element of "self-desire" and refuse His many, many loving "overtures" to forsake "all" to follow Him. He stated that - because of the "principle of lawlessness" (rebellion-disobedience) being foolishly nurtured in their heart - they would "perish" at the hand of Satan and his forces, in spite of an "apparent" prosperity and spirituality.

The Lord spoke to me of one man who would enter the hospital for a minor procedure (tonsillitis) and die there - having been ravaged by deadly "spirits of cancer" - helpless to stand against them because his "house" (life and ministry) had been build on "sand" and when the "strong storm" moves in on him he will be "defenseless" and death - and the spirits thereof - will overcome him. This is but one example the Lord showed me but it is safe to say that now is the time to repent

of any "activity" that is apart from the "revealed" Word of God and the unction of the Holy Spirit!

THE CONFLICT OF THE KINGDOMS - BOTH ABSOLUTE AND FINAL

We must continue to pray for all those in our sphere of activity whose "house" (life and ministry) remains rooted and grounded in pride - and the self-exaltive activity it perpetuates - for the time to act in a life (and ministry) saving repentance is short for many. The combination of the words of our mouth coming to pass in an ever accelerating degree - one way or the other (faith or fear; life or death) - and the deepest motivations of one's heart becoming focused and ever stronger - one way or the other (pro-Christ and His Glorious Kingdom and Church or anti-Christ and pro the kingdom of this "present world" and the darkness [counterfeit "light"] that consumes its every thought and action) shall truly bring into manifestation in "every" sphere and realm the beginning of the absolute and final conflict between the Kingdom of God and the kingdom of darkness. Satan and his forces shall be both continually "terrorized" and devastated by the True Church of the Lord Jesus Christ for the remainder of "Her time" in the earth. It will be an abiding and absolute "victory after victory" as the "overcomers" go forth consumed by the Glory of God. But this one thing is certain: it will take an "absolute" and continual commitment and deep consecration on our part for us to finish the task perfectly.

THE RESPONSIBILITY OF GOD'S HOLY APOSTLES AND PROPHETS

Through divine revelation given to His apostles and prophets the Father is going to unfold the "depths" of His plan for the Church in this last hour and as He does - and the people of God receive "all" that He has for them - then the aforementioned "religious spirits", who for centuries have had their own way, shall be "brought down" by the "absolute" faith and obedience exercised by all those whose hearts are wholly given to God in the carrying out of His most holy purposes. With a view to these things the Father is going to raise up "environments" wherein those who are called to the ministry may go and be separated entirely unto God and His Word for a "season" and receive anointed ministry that shall prepare them perfectly to enter into the fulness of the ministry that God has called them to. These "environments" shall produce "wave after wave" of bondservants and handmaidens filled with a deep revelation of who they

truly are in Christ, and in having this clear revelation of the fulness of their inheritance in Christ they shall go forth and lead all those God has given to them for the purposes of ministry into the fulness of their inheritance in Christ. As one can plainly see this will wreak havoc on Satan and all his forces and the Glorious Church shall become a "physical" reality throughout the earth. It is the responsibility of God's holy apostles and prophets to bring His people to the "knowledge" of the fulness of their inheritance in Christ, that is, the fulness of their salvation. It is their responsibility to both receive it and walk in it!

Let us hear the words of the Father:

"REVELATION KNOWLEDGE SHALL EXPLODE IN THE HEARTS OF ALL THOSE WHO ARE WHOLLY GIVEN TO ME"

...."As My holy apostles are sent forth - by Me - into the midst of the congregations of the righteous, revelation knowledge shall "explode in the hearts of all those who are wholly given to Me. This shall be a supernatural sign and wonder in the midst of My people and they shall quickly be elevated and transformed in their thinking - not only towards Me but also concerning My plans and My purposes for the establishing of the true local Church. Truly I say to you, as this apostolic anointing is released there shall be "certain empowerment" - in and by My Spirit - for all those who have made the decision to live the life of the Cross and from this position of "death" shall come forth a great release of resurrection power and the ascension life that is its spontaneous by-product. And so shall my faithful and obedient ones surely begin to walk in the fulness of the authority that is theirs in Christ and so shall the world be both shaken and the mind-sets of men be overturned wherever they walk. For truly I say to you, I am taking My Love to the highways and bi-ways and the hidden places of fear - even unto the deepest strongholds of darkness. And truly I say to you, eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which I have prepared for those that truly love Me. And I shall raise up in this hour all those who have humbled themselves before Me and in the same way shall I humble thoroughly all those who have exalted themselves - through their words and actions - above My Word"....

IT IS THE TIME OF THE "PARADIGM SHIFT OF ALL PARADIGM SHIFTS"!

The entire time from here on in will be so far beyond what has - up until this time - passed for "acceptable" in the church that we **MUST** allow the Father to enlarge our hearts and renew our minds - day in and day out - in His presence! Just the "financial situation" alone in the Church will be so glorious that it will soon move us far beyond our "normal comprehension" of things. Add to this the "explosion" of revelation knowledge and wisdom and the fact that we will know **ALL** that is going on before us and one can "begin" to see that not only will this be an extremely enjoyable and blessed time for all those abiding in faithfulness and obedience to the will of the Father - but also that the Devil and his forces are in **BIG, BIG TROUBLE!**

A "DREAM-LIKE" STATE

I do not remember exactly when, but a few years ago I began to see in my spirit to a greater degree the "magnificence and magnitude" of the Father's plan for the establishment of the Glorious Church and the fruit that would issue forth through Her before we leave here. At a certain point I simply entered into the rest of God (finally!!) **KNOWING** that only obedience to the revelation in our hearts - day in and day out - and a profound faithfulness exercised in the small details (practical affairs of daily life) would do. Now, I have come into a deeper understanding of all these things and it almost seems that I am in a "dream-like state", but the glorious news is that these aforementioned spiritual realities (The True Church) are now beginning to manifest powerfully in the physical realm.

Let us hear the words of the Father:

"THE DAYS OF MY GLORIOUS CHURCH ARE AT HAND"

...."The days of My Glorious Church are at hand and truly, truly I say to you I shall exalt those who have humbled themselves before Me, in the eyes of all My people; the days of carnality in My church are at an end and My glory shall fill the earth. I say to you again I shall honour those greatly who have laid aside the things of this world for the sole purpose of drawing near to Me. Indeed I will do exceeding abundantly beyond their fondest dreams. For it is the time for the

"revealing" of My sons and daughters in the earth"....

"NOW IS THE TIME FOR MY POWER TO BE MANIFESTED IN THE EARTH AS NEVER BEFORE"

...."The time is coming, and now is, when many of My children who have all but ignored My Word, will cry out to Me from a pure heart for they will have come to the stark realization that their disobedience has allowed the Evil One to mount his vile attacks against them and for a time they shall be like a people with no home and they shall feel that there is no escape for them. But I say to you I shall cause great signs and wonders to follow those in the five-fold ministry in order to catch the attention of those who have turned their backs on Me, for indeed it is My will that not one soul should perish and indeed My mercy endures forever. And they shall come and be healed and restored wholly unto Me. It is for this reason that I have issued an alert deep within the spirits of My handmaidens and bondservants to cleanse themselves from all defilement of flesh and spirit, perfecting holiness in respect of My wishes. I am calling all those who desire above all else to please Me and to walk continually in My perfect path, to be obedient even to the smallest detail of My will; for now is the time for My power to be manifested as never before in the earth!"....

"ALL THE TIME SPENT IN TRAINING IS OVER"

...."Now is the time for the greatest move of My people throughout the ages. All the time spent in training is over, for now we move to take the earth by storm. How I have longed to pour forth out of My Spirit signs and wonders, blessings and miracles, which will astound even the hardest hearts. How I have longed for the hearts of My people to be one with My heart in order that My will be done on earth as it is in Heaven; for I choose to accomplish all that I choose to accomplish, through My beloved children. As they guard their hearts with all diligence I, by the voice of My Spirit, shall utter commands to direct them to the place they should go and I shall reveal to them the words I would have them speak in the face of Satan's strongholds. They must have no fear, for I shall back every Word they speak in My name, by the power of My Spirit. Indeed they must speak the words I impress upon their spirits and know by faith that the anointing on those words will get the job done. For truly, truly I say to you, those who allow themselves to be the vessels of My anointing shall surely be sought out far and wide and they shall ride

the crest of this wave of My Spirit non-stop supernaturally until the catching away of My Church"....

“I HAVE CHOSEN THIS TIME FOR THE REVELATION OF MY SONS AND DAUGHTERS IN THE EARTH”

...."These coming times and events will at first seem like a dream to even those who have walked in My counsel for many years, but all will soon see the realization of the intercessions which have been made by My consecrated ones and all will see that the fervent effectual prayer of My righteous ones has released My unlimited power upon the earth, and indeed those who have humbled themselves before Me at all cost to their own desires, shall take their place of honour which I have promised to them according to My Word. I have chosen this time for the revelation of My sons and daughters in the earth - My beloved children who have taken the authority I have given them and been faithful in all I have given them to do. All shall see as these days and weeks pass that I indeed am Lord of Lords and King of Kings, and no longer shall My beloved Church be scorned and mocked, for there shall be no sin within her and all that is done by her shall be a revelation of the righteousness of Almighty God. Yes, My children, this is the time you have long awaited. Hold fast and rejoice for truly, truly I say to you in a way I have never said to you before, rejoice for your redemption draws near!"....

A TIME OF DEFINITE TRANSITION

As I have spoken many times before there is coming a time of definite ("severe" might be a better word for all those who have not pursued a true life of faith) transition from the "carnal" church to the Glorious Church. That time is now upon us and will result in many, many things happening "suddenly" - so suddenly that even many people that have been believing for years concerning the visions and revelations that the Father has given them will almost be "surprised" at not only the suddenness, but also the "way" that He has brought things forth. Everything that comes forth into the lives of His faithful and obedient ones will come forth in such a way as to exceed abundantly even their highest hopes and expectations of what He would do - without exception!

"THE WISDOM OF THIS WORLD AND ANY RELIGIOUS THINKING AT ALL SHALL SURELY BE CONFOUNDED"

Ultimately the Glorious Church shall soon be seen to be the only entity in the earth that has both the answers and the capacity to deliver - those who desire to be delivered - from death unto life and there will be a great crying out for the true apostles and prophets and the wisdom of God abiding within them. Just like Joseph the wisdom that they impart will turn around the entire path of nations in this most critical time. Everything that we, as the Body of Christ, have been prepared for from before the foundations of the earth is now upon us! I have been blessed with such a clear vision by the Father in these days of the "magnitude" of the time that is now upon us, that my previous "thought patterns" seem like just a blur in light of the glorious, glorious things that are about to manifest in our midst. The whole concept of what He is doing is so simple (yet absolute) that the wisdom of this world and any religious thinking at all shall surely be confounded.

A "FOOL PROOF" PLAN - AND THE EXTREME DANGER OF "FELLOWSHIP" WITH THE "WORLD"

The Father's plan for the establishment of the Glorious Church is a "fool proof" plan - meaning that no fool (one who has any self-agenda at all) will be able to enter into it. It will be a Church - both individually and corporately - that operates on revelation knowledge alone, with no self-seeking at all. There is nothing but failure in the "flesh" and nothing but absolute victory in holding fast to the love and wisdom of God. The time has truly come for every Christian to clearly know the difference between the two! EVERY Kingdom work needs to be founded on a revelation from God - especially when it concerns some kind of involvement with the "world" (e.g. finances). This would include ALL involvement with "flesh and blood" - even other Christians - and, even if it might "appear" to be the best or easiest way. Without exception, ANY involvement with those whose hearts are not at least "towards" God (and only He Himself knows who those are) will end up taking down the work (leaven) - and because of the lateness of the hour it WILL NOT rise again. The point of that last statement is that all those whose hearts are "wholly given" to the purposes of God have had years of training and dealing so that every ground of "self-agenda" - and the fear of what others might think - has been removed, and thus there is no more room for "error" (rebellion).

I would say this to all those whose hearts are wholly given:

HAVE NO FEAR! NONE WHATSOEVER!

I am telling you right now that the Father has everything under control and He has everything perfectly prepared to establish His True Church in power throughout the entire earth. Every "true" prayer [prayer that is motivated by the love of God and the revelation of His Will (Word)] that has been prayed by any member of the Body is about to be answered. It does not matter how "hopeless" it may "appear" - it will be fully answered as the "unlimited" power of God is poured forth through His holy vessels! Make whatever final arrangements; tie up any loose ends (spiritually speaking) and make any "minor adjustments" necessary and enter into the "fulness" of all that the Father has prepared you to walk in because I am telling you this now: after what I saw in the vision of the True Local Church that the Father blessed me with, we will not be in this earth for very long once this "explosion" of God's Presence begins to gain full momentum because, quite simply, the earth will not be able to contain us!

Let us hear the words of the Father:

...."With each passing day the outpouring of My Spirit on all flesh shall not decrease, but increase. Signs and wonders shall manifest themselves to a degree which human eyes have never seen. Draw nigh to Me, My children, and allow your hearts to be open vessels of My love and power. For as I have said in My Word, out of your spirits shall flow rivers (torrents) of living water; for it is indeed the time of the great outpouring of My Holy Spirit. I say to you this day, rely not on your physical senses in these last days, but rather keep My Word first and foremost in all things. Satan has retreated in fear and I say to you, go forth and tear down those strongholds he has left behind. Behold, I have heard the persistent faithful prayers of My children and I shall answer those prayers in ways that no flesh could have foreseen. For the days in which it "seemed" My people prospered in their sin are at an end and I have prepared a mighty army which will go forth in My name, to take back those things the thief has stolen from those who are faithful to Me. Be not influenced in any way by the spirit of the world, for the consuming fire of My Spirit shall manifest mightily in these last days and "all" the works of My children which are not Mine shall be consumed. Consecrate yourselves, for tomorrow I shall do great wonders among you. Rejoice, for your redemption draws

near"....

THE MAGNITUDE OF THE IMPACT (OF THE GLORIOUS CHURCH)

In the past nearly two thousand years, we have seen certain individuals and even small remnants (groups) of God's people abide in a perfect obedience and we have seen the impact of their lives upon both the church and the "world". But it is certain that compared to what we are about to see these lives - as glorious as they were - are just a "glimpse" compared to the "soon manifestation" of the Glorious Church through which the entire earth shall be filled with the glory of God - a remnant of God's people through whom the "former and the latter rain" shall be poured out as a "flood". There is no possible way for any one of us to fully comprehend at this time the "magnitude" of the "impact" that this outpouring shall have in one way or another on "every facet" of human existence before we leave here. Recalling a word that the Father spoke to me some time ago, He said:

"There is no limit to what I can accomplish through one who will diligently keep their spirit-man in dominance over their soul and body".

One then can begin to imagine what will happen in this earth when thousands upon thousands of God's children begin to guard their hearts with "all" diligence! Certain hospitals shall "supernaturally" be emptied as the power of God flows down every hall way and throughout every room - driving out every sickness and disease and the "spirits" behind them. And the "spirit of death" - the final foe - shall literally be put to flight before the "continuous onslaught" of God's children in this last hour! Even this slight glimpse into the time of the Glorious Church is "mind-boggling"! And thus our only recourse, as the sons and daughters of God is to abide moment to moment in the "Spirit of wisdom and revelation" so that each of us individually - as we are diligent to obey can bring about the divinely ordained, corporate, glorious manifestation of the Body of Christ in this last hour. For us to walk in anything less than "revelation" - moment to moment, day to day, would serve only to impede this most glorious outpouring. Again, one thing that the Father has made superabundantly clear to me is this: in this last hour "all those" who "truly" desire to be completely freed shall be completely freed and all those who "refuse" to be freed shall abide in an ever increasing state of death, darkness and bondage!

"THERE IS NO FORCE IN THIS EARTH THAT SHALL BE ABLE TO STAND AGAINST US IN THIS LAST HOUR"

As I mentioned earlier it is very difficult to put into physical words what I have been shown in my spirit but I will say this: what is going to happen in and through the Glorious Church in the time we have remaining in this dispensation is far beyond all that even the most sanctified and consecrated saint could begin to imagine. Sometimes we have to pinch ourselves and awaken from the drowsiness that causes us to "underestimate", in any way, the All-Powerful, All-Knowing and Ever Present God that we serve. There is NO force in this earth that shall be able to stand against us in this last hour - as we go forth as "vessels" filled to overflowing with the Holy Spirit. By the power of the Holy Spirit those whose hearts are wholly given to God have been made "fit" vessels that have been perfectly prepared through many long years (in some cases) of trial and tribulation. These divinely ordained "trials and tests" have refined and purified them even to the innermost core of their very being. This army that the Father has raised up for this hour will be - and already is - the most powerful corporate force this earth has ever known and this shall clearly be seen in a very short time. The persecutions that Satan has attempted to stop the advent of the holy apostles and prophets have failed and the only thing that remains for him is to experience the terror and devastation (annihilation) that shall be released in great power and light from the Throne Room of God.

TRUE ACCOUNTABILITY

There is nothing wrong with accountability to other saints - as long as one has a deep and burning revelation in their heart that ALL true accountability begins and ends before the face of the Father and His Word in the Throne Room, and as long as the saints mentioned are being led and empowered by the Holy Spirit. From this position of abiding - and also seeking first the Kingdom - our "accountability" then becomes the spontaneous by-product of a heart wholly given to the will of God and, thus, as the Holy Spirit flows in the midst of the congregations of the righteous, every word and every action "automatically" becomes accountable in the presence of God. The problem - up until this time - has been that "flesh and blood" has attempted to be accountable to each other while not walking in and by the Holy Spirit. This has produced mass chaos in the midst of the congregations and has led to many, many situations wherein the

"blind are leading (and following) the blind" - entirely controlled and bound by a spirit of idolatry. Agreement and acceptance of each other of any kind in the "flesh" has no relevance or standing in the Kingdom of God!

"FIXED ORGANIZATION"

The Father does not desire fixed "organization" in the midst of His People. The term "fixed organization" simply refers to the spirits of control that have been "allowed" to influence many in positions of authority in the Church. These spirits breed fear and control and cause the one being held captive to - in their fear and blindness - "control" the people of God, and the entire environment surrounding them. This of course continually quenches and grieves the Holy Spirit and precludes all in that "darkened" environment from entering into the Kingdom - and causing them to remain in some form of "religious bondage". This is precisely why vast multitudes of congregations have a "knowledge" of the truth, but continually deny the very power and light which would cause them to be "effective" vessels of the Living Christ. The chief aim of Satan and his forces is to keep the children of God out of the place of agreement (one accord) - which is the place of power! If he can keep the children of God from the "true" spiritual environment that the Father desires - an environment wherein revelation knowledge is continually coming forth - then he can keep all those held captive in "agreement" on things which are NOT in alignment with the revealed will (Word) of God.

The bottom line is that there will be NO self-effort in the establishing of the "spotless and unblemished" Church. Whatever is not of Christ will not stand as the fire of the Holy Spirit is poured forth in this hour. Hence the extreme importance of all those who truly love God entering - in and by the Holy Spirit - into the "proper position" that has already been prepared for them.

THE ALL-SUFFICIENCY OF THE FATHER VS. SELF-SUFFICIENCY

Every child of God must come to the place - in and by the Holy Spirit - wherein they find their "all-sufficiency" in the Father and His Word. A spirit of "self-sufficiency" (continually leaning upon one's own understanding) and a spirit of "self-desire" ALWAYS seeks its own way, and ALWAYS "settles" for that which gratifies the soulish nature. This is one of the chief snares of the Evil One to keep God's children from entering into the fulness of their precious inheritance in

Christ - and it can be very subtle. This is precisely why one must enter into the "inner chamber" in order that the perfect love of the Father might continually be found to be exposing and casting out ALL ground of fear - and the ungodly attachments and dependencies that it produces AS LONG AS IT REMAINS.

THE END OF THE "PLATEAU-MENTALITY"

It has always been the scheme of the Evil One to stop every new movement of God over the years by attempting to move those who began in the Spirit to come into a reliance on their own understanding. This again refers back to a "fixed organization". If he can cause the people of God to put their own hand on the work of God then they will "plateau" - and thus stop allowing the fulness of the Father's plan to unfold. The only way that this can be prevented is for one to continue allowing the Holy Spirit to do the deepest work of the Cross. The thing that Satan is most afraid of is believers coming in the place of "power" - because that very power is going to be specifically directed towards the TOTAL destruction of his strongholds. The Father is raising up a remnant who are going to go all the way to the very end of this dispensation doing NOTHING apart from Christ and, thus, they will transcend this "plateau-mentality" that has plagued every move of God since the birth of the Church at Pentecost.

"THE MAIN THING THAT THE FATHER DESIRES IS INTIMACY"

In this last of the last hour the Father is not setting long range plans to the structure of the true local churches. The main thing that the Father desires concerning His children is "intimacy" with Him. It was the reason He created mankind, and it is the essence of ALL things pertaining to the Kingdom and the establishment of the Glorious Church. It is a "fool proof" plan because only those with a pure heart shall "see" and understand the heart of the Father in this last hour. As each believer abides in revelation and refuses to deviate from their own path - as directed by the Holy Spirit - the Glorious Church will arise. We will be a Church that lives and moves and has our being in Christ - totally controlled and empowered in ALL things by the power (love) of God. The call is for each individual believer to enter into the "inner chamber" and seek a revelation of their "proper positioning". This will lead them to the place wherein they shall be "gloriously connected" with others in the Body of Christ by the hand of the Father, and from this point all things will begin to unfold in their life and ministry -

according to His most holy purpose. If anyone does not have a "deep assurance" in their heart that they are in the "proper position" - both spiritually and locationally - then it is extremely important for them to draw near to the Father and His Word and seek Him with all of their heart, for the hour is very, very late! As the Father continues to unfold His plan all those who truly love Him must just continue waiting expectantly and diligently, and they shall SURELY know what to do and when. We shall be a Church that goes from revelation to revelation, faith to faith and glory to glory from here on in! In the days ahead there shall be many more environments established by the Father - ranging from "cities of refuge" to "environments" (schools) of the Holy Spirit - or both, in any given location, and they shall continually meet the deepest needs of the people in the carrying out of their part in the establishment of the Glorious Church - and the Kingdom.

"BRINGING EVERY THOUGHT CAPTIVE"

Bringing every thought captive to a revelation of the Word is a key to maintaining the walk of faith and love. One brings every thought captive not just by "thinking" the revelation of the Word, but by SPEAKING it out. When the mouth speaks, the mind ALWAYS has to stop and listen to what it is saying and eventually - as we are diligent in this practice - the mind is renewed in every area and we are transformed into the image of Christ in our inner man. Once again the key is the "inner chamber". Proper and constant fellowship with the Father and His Word will cause "godly desire" to continually override "self-desire", and from this place of abiding comes the exhortation of the apostle John which states, "If you abide in Me and My words abide in you, ask WHATEVER you desire and it shall be done for you" (John 15:7).

IN THE REMAINING TIME IN THIS DISPENSATION THE FATHER IS GOING TO BRING TO PASS ALL THAT IS WRITTEN IN HIS WORD CONCERNING THE CHURCH

The Father has brought "us" to this place now - having established many things previously - both individually and corporately - that will affect us in the days ahead as far as our service to Him goes. One thing is certain: This is the last generation of the Church Age - and thus the greatest responsibility that there has ever been over the past two thousand years falls upon those who would call themselves "Christians". There are many great and glorious things to happen in the

days ahead that one cannot read about in any newspaper - or in most "Christian writings" for that matter. Simply put, in the remaining time in this dispensation the Father is going to bring to pass all that is written in His Word concerning the Church. All of the years of training wherein those who truly love God have learned (and are still learning) to walk in an absolute faith have been for this time that has even now begun to manifest in the earth.

THROUGHOUT MANY CENTURIES THE FATHER AND JESUS HAVE BEEN EXTREMELY "MISREPRESENTED" BEFORE THE MULTITUDES - BUT THAT IS ABOUT TO CHANGE IN A VERY RADICAL WAY!

He has ALWAYS had a glorious plan, but men - in their pride and "good intentions" - took matters into their own hands, with a lot of help from the Devil. Since the birth of the church in the 1st century A.D. Satan has tried everything possible to water down the Word of God and consequently much error and many "doctrines of demons" have entered into men's thinking. This is why there are so many "denominations" in the church when, in reality, it was the Father's plan for every Christian to be of one heart and mind with Him - in and by the power of the Holy Spirit. I have written all this to say that throughout these many centuries the Father and Jesus have been extremely "misrepresented" before the multitudes - but that is about to change in a very radical way!

"A GLORIOUS CHURCH SHALL ARISE AND THE GREATEST OUTPOURING OF GOD'S PRESENCE IN THE HISTORY OF MANKIND WILL BE RELEASED INTO THE EARTH"

I am well aware of the blatant hypocrisy that still exists in many so-called Christian circles, but that is about to end! For one to call themselves "Christian" in this last of the last hour will mean that they will be serving God with a "heart wholly given". In the days ahead EVERYTHING - and I do mean EVERYTHING - that is apart from Christ (the revelation of the Father's will and the power of the Holy Spirit) will be shown exactly for what it is. In the light of this intense and all-consuming judgement a Glorious Church shall arise and the greatest outpouring of God's presence in the history of mankind will be released into the earth. The first and foremost result of this "outpouring" will be that vast multitudes will be brought to the "point of decision" with their eyes opened wide -

as for the first time they see the Father as He REALLY is, and experience the LIVING CHRIST in the fulness of His Glory and Power. Many will still forsake the truth and enter into a greater position of rebellion against God (they are those ones who will enter into The Great Tribulation period) but, again, vast multitudes will not only experience the New Birth, they shall also be baptized in the Holy Spirit and with fire - and thus they will spend the remainder of their time in the earth trampling Satan and his forces underfoot (Malachi 3 and 4) - as they go forth in perfect obedience to the will of God.

ALWAYS REMEMBER:

There is NO "imperfection" in the Father. There is NO "imperfection" in His Word! There is NO "imperfection" in the Holy Spirit. There is NO "imperfection" in His will for us! There is NO "imperfection" in His love for us! There is NO "imperfection" in His treatment of us! There is NO "imperfection" in His "disciplining" of us! There is NO "imperfection" in the "ministry" He has given us! Every child of God "must" come to the "full realization" that there is NO "imperfection" in God!

"THE FULNESS OF TIME"

We are in a time like no other! This is the "fulness of time". The fulness of time - as it applies in a practical manner to all those who are seeking the fulness of Kingdom life - is simply the fulness of God's will entering into time (physical circumstances) at any given moment. In this most critical and glorious hour those who have truly sought God with a faithful heart have been blessed with much revelation concerning the Father's plan for the Glorious Church and the establishment of His Kingdom. And thus, now are beginning to see the fulness of all that has been prophesied concerning the Glorious Church and the Third Day begin to manifest. In these days the manifestation of the fulness of God's will shall both continually accelerate and expand to a greater degree with each passing day in the earth.

"THIS IS THE TIME OF A GREAT FLOOD"

So now, this is the time of a great "flood". In these days we are going to both hear and experience the "full version" of what the Father had intended all

along for the Church - in order that we might be vessels which are truly fit to be used to fulfil the entirety of His purpose, and we are also going to experience a "flood" of the manifested presence - both individually and corporately - such as this earth has never seen. In this time every Christian who is truly seeking first the Kingdom shall - in their continued perfect fellowship with the Father and obedience to His Word - be filled up with all the fulness of God - having become partakers of the Divine Nature through the perfect empowerment of His Spirit (Ephesians 3:19; 2 Peter 1:4).

**FROM THE POSITION OF KNOWING THE HEART OF THE FATHER
ONE COMES INTO A DEEP AND ABIDING REVELATION OF HIS
OMNIPOTENCE**

It is very important in these most critical days for every believer to do whatever is necessary for them to remain in a position wherein they can hear the still, small voice of the Holy Spirit. For it is only in this way that one can EVER enter into the fulness of their Kingdom-position. From the position of "knowing" the heart of the Father (and thus coming to a knowledge of His perfect love and trustworthiness toward them) one comes into a deep and abiding revelation of His omnipotence - a revelation which allows one to truly understand the simplicity of the divine plan for this final hour, and at the same time the "absoluteness" of a holy God!
