

# REFLECTIONS OF THE FATHER'S HEART

## [Exhortations From The Father]

[April 12th]

\* A divine sense of "urgency" can translate into "impatience" IF not continually fuelled by a perfect obedience.

**"urgent"** - calling for immediate attention;

**"perfect obedience"** - receiving a revelation of the Father's Will, and then carrying out that Will in the timing [*unction*] and power of the Holy Spirit - alone [*through the continual exercising of an absolute faith working through a perfect love*];

....*"Keep your sense of urgency [stand by, be at hand and ready]".... 2 Timothy 4:2 The Amplified Translation*
