

REFLECTIONS OF THE FATHER'S HEART

[Exhortations From The Father]

[April 19th]

* If one "allows" their faith *[revelation]* to become "dormant" *[enter into a state of sleep {apathy}]* then it is certain that what once was a driving force in their life will be just a distant memory of what they once believed - UNTIL such a time as they draw back near to Me in the "inner chamber" *[the secret place of My Presence]*.

"apathy" - want of feeling; privation of passion, emotion, or excitement;

...."Behold, as for the proud one, his soul is not right [in right order - in submission to the spirit] within him; But the righteous will live by his faith [out of his spirit, inner man - through revelation and trust in God and His Word]".... Habakkuk 2:4 NASB

... "Draw near to God and He will draw near to you".... James 4:8 NASB

...."faith without works [words and actions that correspond with a revelation of the Will of God] is useless".... James 2:20 NASB
