

# REFLECTIONS OF THE FATHER'S HEART

## [Exhortations From The Father]

[April 26th]

\* A "survival-mentality" is a destructive mind-set for one to hold to. For a survival-mentality seeks *[through its own understanding and perception]* its own comfort and security - a temporal comfort and security that will NOT, in any way, stand in the face of that which is coming upon the "world" in this most critical and glorious hour.

*...."Lean on, trust in, and be confident in the Lord with all your heart and mind and do not rely on your own insight or understanding [sense-knowledge and perception]. In all your ways know, recognize, and acknowledge Him [through the continual accessing of His Grace], and He [the Spirit of Grace] will direct and make straight and plain your paths".... Proverbs 3:5-6 The Amplified Translation*
