

MEDITATIONS ON THE TRUE CHRISTIAN LIFE

....*"This book of the law [the Word of God] shall not depart from [always be in] your mouth, but you shall meditate on it day and night, so that you may be careful [take heed] to do according to all that is written in it; for THEN you will make your way prosperous, and THEN you will have success"....*

RIGHTEOUSNESS MAKES US MASTERS OF EVIL

[part 3 of 5]

* Righteousness means the ability to stand in the Father's presence as though sin had never touched us, with the same liberty and freedom that Jesus had with the Father in His earth walk. When we confess the Lordship of Jesus, it is not only His Lordship over us but it is His Lordship over all evil through us and by us. The moment we make this confession, we are one with Him. We are His representatives in the earth. We are acting in the Name of Jesus.

In His Name we are masters. In His Name we are conquerors. In His Name we dominate circumstances and evil forces. When we recognize His Lordship over us, it is His Lordship through us. It is His Lordship in our words, so we can say, "In Jesus Name, demon, leave that body." We can say to that disease, "tuberculosis, in the Name of Jesus Christ, your Master, leave that body", and it will leave. We are masters because He is our Master. And as our Master, He is working through us.
