

MEDITATIONS ON THE TRUE CHRISTIAN LIFE

....*"This book of the law [the Word of God] shall not depart from [always be in] your mouth, but you shall meditate on it day and night, so that you may be careful [take heed] to do according to all that is written in it; for THEN you will make your way prosperous, and THEN you will have success"....*

WORKS OF RIGHTEOUSNESS

[part 2 of 5]

* We who can walk into the presence of the Father at any time, who can stand in the presence of the Father without the sense of condemnation, are like a man that has vast sums of money deposited in the bank, while the country needs factories and stores opened to set the people at work. Yet he does not use his resources to help the people.

We have the resources of God at our disposal. We have no sense of condemnation. We are perfectly free to use the Name of Jesus. We can heal the sick. We can preach the Word with power. We can unfold the riches of the Grace of God in the Scriptures so that men and women are built up in their faith.

We have the very riches of Christ at our disposal. We are in touch with the fullness of love and the ability of God. There is no limit to what we can do. We remember that Jesus said, "All things are possible with God", and "All things are possible to him that believeth!". We link these two together and see what blessings come to the human race.
